THE SIGNATURE® ELITE FULL-FRAME REPLACEMENT SYSTEM – FEATURING SWIFTLOCK® TECHNOLOGY

TrimEssentials® by Gentek
DECORATIVE WINDOW ACCENTS

From day one, Signature Elite windows with TrimEssentials Decorative Window Accents will change the way you think about full-frame replacement projects. The simplicity and ease of this innovative snap-on trim system makes it easier, quicker, more consistent and more profitable.

For vinyl replacement window projects, the most reliable solution is a full-frame replacement installation: tear out the old vinyl window, including the nail fin, and install a new integral nail fin window in a clean opening.

But, replacing integral nail fin windows typically involves removing or cutting back siding and dealing with extra trim work to create a clean finished look. This time-consuming and intricate process requires skilled labor, and when not installed correctly, can drive up costs and generate service calls.

With Signature Elite windows and our patented SwiftLock Technology snap-on trim system, you can now give your customers a superior performing window and beautiful custom-crafted trim – with amazing installation ease.

Simply install Signature Elite windows with proper flashing and finish the job quickly with TrimEssentials Decorative Window Accents snap-on brickmould and casing trim.

No Special Equipment, Training or Cutting Skills Are Needed. Just snap on the pre-made, fully assembled decorative trim for a perfect fit every time!

- Quick and precise finish – trim is custom fabricated with each window
- Speed up the installation process
- More windows installed per day

TAKE A CLOSER LOOK >

1. **Signature Elite Replacement Window**
   Impressive performance, superior energy efficiency[1] and a larger glass area are expertly achieved in this narrowline frame and sash construction.
2. **Integral Nail Fin**

   This quick and easy snap-on trim system lets you beautifully finish each window in a snap!

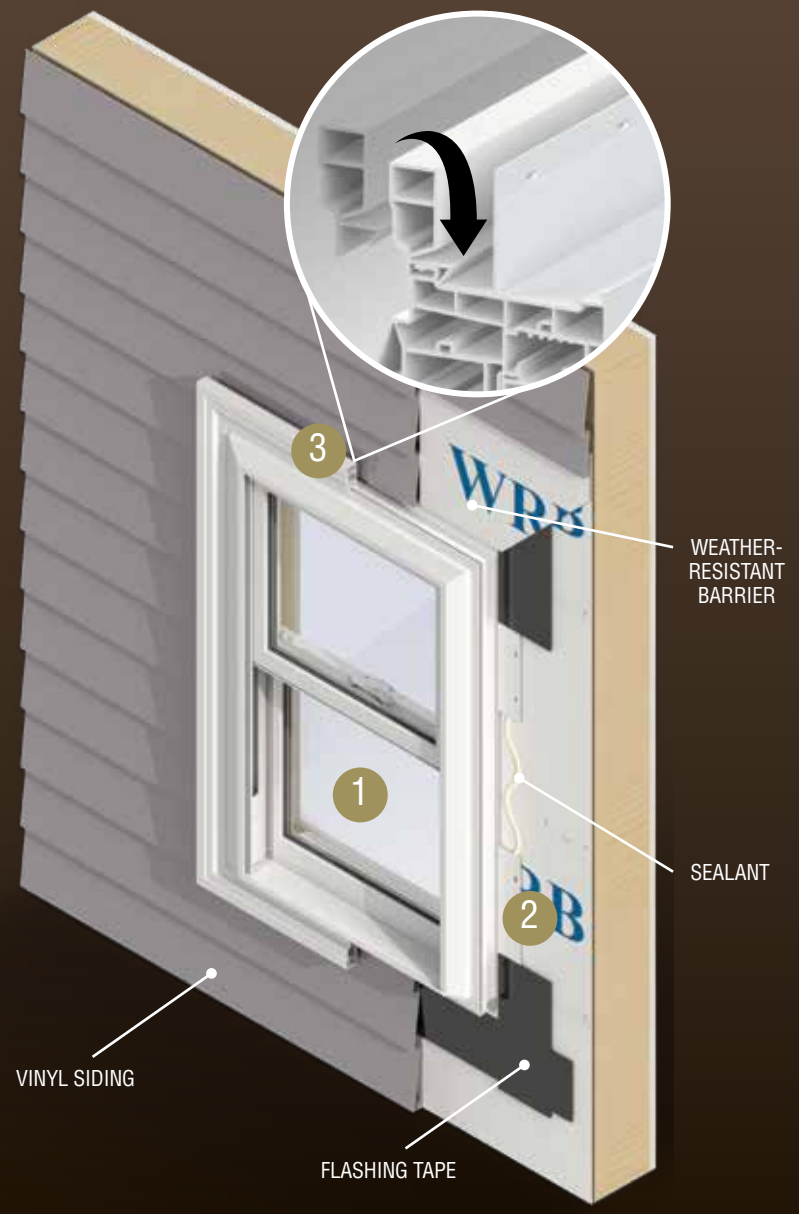
TrimEssentials Decorative Window Accents can
SAVE 20-40 MINUTES
of installation time per window.

LEAVE YOUR SAW AT HOME.
No need for time-consuming metal bending, measuring, cutting or mitering.

SAVE 3-7 HOURS
of installation time for every 10 windows, depending on the desired finished look.

A REVOLUTIONARY FULL-FRAME REPLACEMENT SYSTEM – IT ALL STARTS HERE

PATENTED TRIM INNOVATION:
BEAUTIFUL DESIGN, LESS TIME!



SIMPLE With SwiftLock Technology, the decorative window trim easily snaps onto the window frame. There's no measuring, cutting, mitering or bending metal – just attach the trim[2] and you're finished.

QUICK Trim can be installed in less than 1 minute! Attach the trim and move on to your next project. You'll save time on every window.

UPSCALE APPEARANCE From classic to modern, the variety of brickmould and casing trim will meet your every design need.

CUSTOM-CRAFTED FOR EACH WINDOW TrimEssentials Decorative Window Accents are fabricated with each window for a precise color match and fit for any window size or configuration.

UNIFORM From window to window, the look is clean-lined and consistent.

WEATHERTIGHT DESIGN A properly flashed integral nail fin helps create a watertight seal and prevent customer callbacks. Decorative trim firmly attaches and withstands powerful winds.[3]

PATENTED TECHNOLOGY Our innovative SwiftLock method ensures a tight, secure attachment for a perfect fit, every time.

DESIGNED WITH YOU IN MIND

Easy, Quick, Stylish and Smart – our SwiftLock Technology will transform your full-frame replacement window process and improve your bottom line.

[1]See your Gentek Sales Representative for additional information regarding any questions you might have, or any assertions herein, concerning energy efficiency or savings. Energy savings will vary. Energy savings assume proper installation and use. [2]On average, it takes approximately 7 pounds of force to apply this product. Force applied could vary depending on window size and/or brickmould profile. [3]Assembled units were exposed to 135 mph winds with the brickmould and casing staying affixed to the window. Colors may be slightly different from their appearance in this brochure. Make final color selections using actual product samples. All specifications and designs subject to change without notice.
