Backed by warranties that deliver lasting protection and excellent value. Giving you the expertise and personal touch—that make us truly a part of your home.

12' T-4 Solid

12' T-4 Vented

VERSATILITY AND STYLE

Sequoia Select solid vinyl soffit installs beautifully as vertical siding to add dimension and visual excitement to the architecture of your home. The crisp, clean lines and superb construction will elegantly enhance entryways, gables and other accent areas with a strong and durable finish.

Now more than ever before, rooflines, gables and trim areas command extra attention when adding visual interest and dimension to the architecture of a home. At the same time, these important areas require proper ventilation to promote airflow and help remove moisture from the eaves and rafters.

A MARRIAGE OF ELEGANCE AND STRENGTH

A new generation of soffit has emerged—boasting a wider panel, beefier construction, richer appearance and greater ventilation. Sequoia Select Hidden Vent vinyl soffit lets you achieve a striking finish for your home while ensuring ample air circulation to the roof structure. Beautiful and practical, this masterfully crafted soffit system delivers 10 square inches of ventilation per linear foot, helping to keep your home in great shape both inside and out.

PERFORMANCE BY DESIGN

- Extra-wide 12" profile with hidden dual vent slots achieves optimum coverage and ventilation.
- Maximized ventilation—10 square inches of ventilation per linear foot promotes necessary air circulation.
- Up to 100% more ventilation than most other hidden vent soffits.
- Premium .044" panel thickness ensures long-lasting beauty and durability.
- Luxurious finish with matte texture complements a variety of exteriors.
- Lifetime limited warranty for added peace of mind.

EASY UPKEEP

Sequoia Select Hidden Vent vinyl soffit is solid color throughout, so it won't chip, flake and blister like painted surfaces. And unlike wood, it won't rot or warp due to moisture. There's no need for time-consuming upkeep or painting. Your soffit will keep its fresh-looking appearance season after season.

INVESTING IN YOUR HOME

Your home is a source of pleasure and pride, as well as a valuable investment. Sequoia Select Hidden Vent will protect the trim areas of your home and heighten its curb appeal as well. And in today's resale market, a beautiful, low-maintenance exterior can greatly enhance the value of your home.

BE INSPIRED

Something happens when beautiful colors, inviting texture and personal chemistry mix. A home develops character, a sense of style that reflects the conversations at the breakfast table, the together time at the end of the day or the spirited hours in between. From warm and classic to casual and contemporary—your home is all about you.

Choose from our TrimEssentials by Gentek® collection of beautifully crafted window and door surrounds, fluted lineals, corner posts and other decorative accents—as well as shakes and scallops—to give your home personality and style.

Featuring eye-catching colors

with deeper hues, Sequoia Select solid vinyl soffit with Luran® S ASA

fade-defying technology from BASF carries a lifetime limited warranty against fading.

A WORD ABOUT QUALITY

Gentek delivers the confidence and value only a true leader can provide. We proudly stand behind our products with the full faith of our more than 40 years of manufacturing expertise and some of the strongest warranties in the industry. Our voluntary participation in rigorous quality certifications and independent testing are further assurance you have made an excellent selection for your home.

A LIFETIME OF PROTECTION

Sequoia Select Hidden Vent vinyl soffit is backed by a lifetime limited, non-prorated, transferable warranty including lifetime fade and 50 year hail protection.

For complete warranty information, including limitations, ask your dealer for a copy of the Sequoia Select Hidden Vent vinyl soffit warranty.

INDEPENDENTLY TESTED AND CERTIFIED

As tested in an independent program sponsored by the Vinyl Siding Institute, Sequoia Select vinyl soffit has earned ASTM D3679 certification, the industry's highest standard for quality. The safety performance of the soffit is also regularly tested by Underwriters Laboratories (UL).

All Gentek soffit is manufactured at plants that have earned ISO 9001:2000 certification for meeting or exceeding quality management standards recognized by more than 140 countries.

This achievement translates into better consistency and higher quality products while also increasing overall cost efficiency.

Pertains to Sequoia Select soffit used as vertical siding.
