SIGNATURE® ELITE FULL-FRAME REPLACEMENT SYSTEM

Signature Elite has taken replacement windows to a higher level of performance and design with an innovative full-frame replacement system. In addition to superior construction and energy efficiency,¹ Signature Elite features TrimEssentials Decorative Window Accents trim for an upscale finished look.

When you compare this innovative full-frame replacement system to other options, you'll see why it's an excellent choice for your home. Installed with proper flashing and water management methods, Signature Elite windows give you the added advantage of superb aesthetics and installation ease with our SwiftLock® Technology snap-fit brickmould and casing trim.

The distinction here is clear: the patented trim installation system ensures a beautifully uniform and pristine appearance for increased peace of mind and enhanced curb appeal.

A SMART WINDOW SOLUTION: FULL-FRAME WINDOW REPLACEMENT

Removing the entire old vinyl window – including the nail fin and frame – and installing a new integral nail fin window is a smart choice for replacing vinyl windows. This full-frame replacement method creates a fresh opening for the installation of your beautiful new windows and custom trim. Signature Elite Full-Frame Replacement System will install quickly and consistently throughout your home, helping to ensure a weathertight fit with classic trim detail.
